

CLEAN ENERGY NH

Your Voice in All Energy Matters

BRONZE MEMBERSHIP

MEMBERSHIP DUES: \$75.00

Membership with CENH is the best way to support clean energy.

We're dedicated to **lowering energy costs for NH citizens** by advocating for change in the way that energy is generated, stored, and used and using fact-based information to **communicate the benefits** of growing the state's clean energy economy.

We provide unbiased information on energy efficiency, clean energy generation, and policy options to **empower individuals with knowledge** and **strengthen local decision making** on where we get our energy and how we use it.

Bronze Membership Benefits:

- Access to regular e-newsletters with industry, policy, and NH-specific news and resources on clean energy, energy efficiency, EVs, storage, clean tech, and beyond
- Access to our members-only list for special policy alerts and updates during the legislative session & invitations to our partner events across New England
- Discounts on CENH-hosted events, including a discount on the popular Local Energy Solutions Conference
- Recognition in CENH's Annual Report as a supporting member
- Free gift with membership
- Knowledge that you're supporting the only NH non-profit whose sole focus is clean energy advocacy and education for a stronger & healthier future

Become a member:

Simply complete the **online membership portal** or **send a check** made payable to "Clean Energy NH" to our mailing address at right.
